I would like to ask the Teaching-Scientific Council to review and accept the proposed thesis for a master's paper entitled:

With the application I submit:

- |                             |                           |
|-----------------------------|---------------------------|
| 1. Research topic relevance | 5. Thesis                 |
| 2. Subject of research.     | 6. Thesis explanation     |
| 3. Research goals.          | 7. Initial reference list |
| 4. Research methodology.    |                           |

The selection of the proposed topic and the preparation of the theses were done in consultation with the teacher

, which is why I ask him/her to be appointed as my Mentor in the preparation and defense of the master's thesis..
